Avalon Minerals Ltd (**ASX: AVI**) ('Avalon' or 'Company') is pleased to advise that it has taken another step forward in its growth and development strategy with the appointment of Ray Robinson to the role of General Manager – Studies and Technical Services.

Ray brings to Avalon a wealth of experience in managing Feasibility Studies and delivering development projects on time and on budget. Ray has worked across a range of commodities in various geographies and managed a wide range of consulting groups.

Ray has a Bachelor of Engineering (Mining), a Post Grad Diploma in Economics and a Bachelor of Laws. He has worked on mine sites throughout Australasia and South America and has managed small to large scale feasibility studies through to development.

Avalon's Managing Director, Mr Malcolm Norris said, "It is very exciting for Avalon to attract someone of Ray's experience and qualifications to guide us through the development of the Viscaria Copper-Iron Project. I have no doubt that Ray will deliver significant opportunities to Avalon as we advance the Viscaria Project towards development".
